Circular No.001/17
30th August, 2017

Dear Parents,

Recruitment of New Members

Parenting is a hard job in this new century. Challenge grows as our children grow. However, both the school and parents take a very important role in educating our next generation. Therefore, the Parent-Teacher Association was established in 1999 aimed at promoting home-school co-operation. It provides a good channel for parents and the school to communicate. We hope the school and family together will build a successful path for the students.

According to item 4a of our constitution, all parents or guardians of students will become members of our association. Also, according to 4b, they have the right to enjoy the benefits provided from the association including shopping discount from designated shops, being elected as a committee member and attending the activities organized by the association. As stated in item 4d, every member has to pay a membership fee each year. The fee for this year remains unchanged $40. However, one family has only to pay one membership fee regardless of the number of children in the family at school. The membership status is valid from November of this year to the end of October next year.

The recruitment procedure for the current year for P.1 parent members is from 1st September (Friday) to 6th September (Wednesday). Our membership fees will be collected from the school as one of the items included in the miscellaneous fees, in other words, parent members do not need to pay membership fees separately. Any excess fees collected will be returned to the older child once everything has been settled.

New members please fill in the attached application form and ask your child/children to return it to the class teacher(s) on or before 1st September.

Thank you for your attention.
